Speed Networking Event to offer good conversations and more

Mature Services Employment & Training Solutions encourages employers to attend the fifth annual Business-2-Business Speed Networking Event (B2B) on Thursday October 18th from 9a.m. to 1:00p.m. Like last year, the event is being held at First United Methodist Church at 263 E. Mill Street in Akron with free parking. Lunch is a \$6.50 donation per person collected at the door.

The B2B remains a hit with businesses, averaging 50 people in attendance. The event attracts employers who recognize the value of networking with other professionals while discussing industry trends, their services offered, and opportunities for partnerships. Every year brings a new variety of companies like Charter One Bank, the Greater Akron Chamber, National College, Summa, LaserQuest and more.

“What makes this event so successful is having a series of round-robin discussions to exchange ideas, share presentations about everybody’s services, and get better acquainted. This clearly gives employers a wider scope of the business opportunities in their area,” said Don Zirkle, Training & Placement Supervisor at Employment & Training Solutions, sponsor of the Business-2-Business Speed Networking Event.

Those interested in attending can register by calling: 330-762-8666 x174 or going online at www.matureservices.org. Registered guests should come prepared to network and distribute business cards and any other business materials. Make sure to stay for the prize drawings.

Employment & Training Solutions is a division of Mature Services, Inc., a multi-service non-profit agency whose primary mission is to serve older adults. Mature Services provides a broad range of employment, chemical dependency, social work, health, and volunteer services to older adults, and is an equal opportunity employer and service provider.
